Dear Judge Blumenstiel,

My wife and I have been victimized by the Ponzi scheme in Northern California (Case #20-30604---with case #20-30579). We feel doubly victimized by the predatory fees charged by the lawyers and accountants working this case--to the point where we were forced to accept 36 cents on the dollar while millions were spent on administration. Please look into this and determine if the fees charged were reasonable. Thank you for giving attention to this matter. Dr. Norman Mintz
